

December 2019, January, and February 2020

Dear Friends, Christ's Peace!

Blessings and prayers upon you all in these final months of 2019. May the Lord bless us all at Christmastime and in the coming year! 2019 was a very active year of change and development for us in PWPN (AoP). 2020 looks to be the same with exciting developments across all our social media and US postal mailings.

Most importantly, the Holy Father reiterated his support for our mission and ministry at the 175th anniversary ceremony this past June in Rome. Youth and adults from across the globe met in Rome to pray and worship together in that wonderful and grace-filled event. Please keep this special anniversary year in your prayer until this coming June.

In October we launched the new eRosary, a novel wearable Rosary intended to help young people to pray for peace in the world along with the Holy Father. At the same time as going fully digital on social media and the web, we have maintained our commitment to those without internet access as well as the incarcerated.

Enclosed in this mailing please find the reflections to carry you through February, as well as the coming years intentions. We can no longer afford to print the old style leaflets. Please feel free to copy these pages and distribute them in lieu of the old tri-fold format.
